To whom it may concern,

Testimonial for MTS Ltd

In accordance with Best Value we continue to ascertain the services of companies as appropriate to meet our I.C.T. needs. Over the past two years we have dealt with MTS Ltd on several occasions for the supply and installation of various I.C.T. and Audio Visual products and support.

During this time we have been impressed with the service provided by MTS Ltd. Their flexibility and timely response has ensured that our School has minimal 'downtime' with our Audio Visual equipment.

Staff from the company have been extremely helpful and a pleasure to deal with. I recommend MTS Ltd to other schools for their serious consideration. Should you require further information please let me know.

Yours sincerely,

Martin Thacker
