To Whom It May Concern:

Testimonial - Mercury Technical Solutions Ltd

Chesterfield College has dealt with the above company for several months after they were successful in winning a Tender for the supply and installation of Interactive Whiteboards and Audio Systems in over 60 of our rooms.

MTS have always supplied and installed the systems on time and in a professional manner, offering competitive pricing, flexibility and exceptional service and advice. Due to their wide range of products and services, Chesterfield College has expanded supply into other areas of Information Technology and Audio Visual products. These include Visualisers, Digital Microscopes, Laptops and other Peripherals.

It is therefore without reservation I write this note to recommend Mercury Technical Solutions as a supply partner.

If you require any further information, please do not hesitate to contact me.

Sincerely,

Mr G Maw  
ICT Services Manager
