Letter of Testimonial for MTS Ltd

To whom it may concern,

South Nottingham College have been using MTS for over a year for the supply, installation and maintenance of a range of audio visual products.

The College values the flexible service supplied by MTS. The company has worked in challenging conditions and to tight deadlines, providing excellent quality equipment and workmanship. This summer alone, MTS has performed approximately 25 projector / SMARTBoard installations, across three sites.

In addition, whenever the College has sought advice and guidance, it has been very pleased with the no-nonsense, no-up-selling advice received.

I, without hesitation, recommend MTS as an excellent partner for Audio Visual support to any educational establishment.

If anyone would like any further information, please do not hesitate to contact me.

Yours truly,

David Skinner
IT Services Manager
South Nottingham College
